CAN YOU HELP?

Can you spare some time on Sunday 18th October to help staff the PBA World Bowls Masters Qualifier? All or part of the day – any help would be greatly appreciated. Please give your name to the office.

MAINTENANCE UPDATE

As noted in the July newsletter, the maintenance team have been busy over the summer break.

The team have been on to the roof and cleared the gutter blockages.

The lighting on rink 8 and walkway was damaged by water ingress following heavy rain – this has been fixed.

Part of the Licensing application we submitted required us to install a CCTV camera in the bar area which has been completed.

As noted in the Newsletter Special issued this week, we have installed a new scoreboard system.

It's thanks to you all joining as members and playing on the green that we're able to look at ways to improve club facilities and keep FIBC running, so thank you!

Good luck for the season!
