NEWSLETTER OCTOBER 2026

WELCOME!

The 2026-27 indoor season is now underway and we're glad to be back! All FIBC leagues have now commenced and we want to say a big thanks to everyone who has entered, especially our evening leagues which have had great interest again this year. We also want to thank all who have joined as members this year – your support is invaluable and helps keep FIBC afloat.

Repairs and maintenance

As has been noted in previous newsletters, there have been some works requiring undertaking. The latest being the boiler, which has had to take priority as it was "on its last legs". The replacement is scheduled to take place week beginning 5th October with no interruption on the green or to the catering or bar services. Along with the stadium lighting, we are looking at stadium heating as the next priority as this system is aging. We will keep you up to date on progress.

LEAGUES

The seniors' first ICL game away to Abbeyview unfortunately resulted in a loss of 80-49. However, they came back strong at home to Fintry, taking a win of 88 – 37.

The gents play their first league game of the season away to Bainfield this Saturday, 3rd October.

The ladies play their first ICL match on 3 October at home to Glasgow.

Good luck to the ladies and gents teams!
