

## Bowls Club Management System

Last year we started using "bowlr" for all our league and competition management.

It's easily accessed through our club website. Just go to our Competitions & Leagues page and click on the "bowlr" logo.

You will then be able to view all the leagues, placings, scores and competitions.

Once issued with a members number and password from Kimberley you will be able to see members' contact numbers and book a rink.

If you are unsure how to go about this please speak to Kimberley

### CLUB COACHING

The winter leagues are selected in the month prior to the start of the winter leagues. If you wish to join a team, please speak to Kimberley in the office. She will put your name on the waiting list.

Also, several of the teams are always looking for substitutes to cover sickness, holidays, etc. If you wish to be considered to play on a specific day, then come along and put your name on the chalkboard beside the office. If a substitute is needed you will be called.

To enter the club ties, the various applications forms are available from the office at the start of the session with playing dates posted on the club noticeboard. Throughout the winter season, the club has inter-club "friendly" games both home and away. Requests for players is posted on the club noticeboard.
